Adverting to Government Order No L 7359-63/M1 77-41-6 dated 16th February 1942 according sanction to the purchase and erection of the pumping plant at a total cost of Rs 5,282/- for the above water supply, (the cost of the motor alone being Rs 3,450/-), I have the honour to state that the Sanitary Engineer in his letter No 1393 dated 7th March 1942 (copy enclosed) now reports that a 15 H P motor is just what is required for the Belur Water Supply Orders for the 25 H P motor were placed at the time on account of the non-availability of a 15 H P motor in the market then But as per quotations called for locally two firms have quoted for the 15 H P motor of which the quotations of Messrs N M Yajman & Son Bangalore for Rs 2 214/- is cheaper As this quotation was current for only 2 days the Sanitary Engineer has placed orders direct with the firm in anticipation of approval He reports that Messrs Kirloskar Bros with whom orders were placed for the 25 H P Motor are prepared to withdraw the order for the 25 H P Motor He is this day asked to see that the order for the motor is actually withdrawn, to avoid duplication

The purchase of a 15 H P motor will result in a saving of Rs 1,236/-

I therefore request you to be so good as to obtain and convey approval of Government to the purchase of a 15 H P Motor at a cost of Rs 2,214/- direct from M N Yejaman & Sons , Bangalore, resulting in a saving of Rs 1,236/- out of the sum of Rs 5,282/- sanctioned in the Government order of 16th February 1942 mentioned above The action taken in anticipation may be approved

I have the honour to be,
Sir,
Your most obedient Servant,
Director of Public Health

Subject Supply of 15 HP Motor for Belur Water Supply

I have the honour to state that order for a 20 H P motor was placed with Messrs Kirloskar Bros Ltd , Bangalore, through the Stores Purchase Committee, vide S P C Indent No 6451 dated 11th December 1941 On the firm s inability to supply the 20 H P motor which was sold out, an order was placed for a 25 HP motor at an enhanced rate of Rs 3,450/-, vide this office letter No 2459 dated 13th January 1942 to the Secretary, Stores Purchase Committee, Bangalore, You have also addressed Government to sanction the purchase of a pump and motor for Rs 4,782/-, vide No C 5725 dated 8/14th January 1942

It is seen that a 15 HP motor is just what is required, and since the same was not available in the market then, it was necessary to go up to a 25 HP motor at an increased cost Quotations were called for locally and two quotations were received as noted below -

1 Mr M Ramiah, Bangalore, for Brooks 15 BHP with starter Rs 3,000/-
2 Messrs N M Yejman & Son, Bangalore, for B T H 15 BHP with starter Rs 2,214/- (current up to 6-3-1942 only)

The quotation for Rs 2,214/- of Messrs N M Yajaman & Son for a 15 HP motor is acceptable By purchasing this there will be a savings of Rs 1,236/- effected from the amount of Rs 3,450/- for the 25 HP motor now ordered Messrs Kirloskar Bros Ltd , who were consulted in the matter are prepared to withdraw from the order for the motor I discussed this thing with you yesterday afternoon and as personally approved by you, I have placed orders with Messrs N M Yajaman & Son for the supply of 15 HP motor There has been no time to call for quotations through the Stores Purchase Committee, since the quotations received were current for only two days, and on account of the daily fluctuations in prices, and the quick sale of available machinery this order has been placed as personally approved by you

I request the favour of your approval
